

Public Relations and Communications Officer (m/f/d)

at Berlin Space Technologies in Berlin

About Us

Berlin Space Technologies GmbH (BST) is a global leader in #NewSpace. Our main business is small satellite systems for Earth Observation and Capacity Building for emerging space nations as well as manufacturing of sub systems and optical payloads. We offer an attractive working environment, a flat hierarchy, a modern workplace, fully equipped home office, and flexible working hours in a global space company.

Requirement

We are looking for a public relations and communications officer (m/f/d). Your focus area will be to support the CSO in establishing and implementing a PR and communication strategy for Berlin Space Technology.

Your Tasks

- Work closely with CSO to design company narrative in accordance with BST heritage and vision
- Organise BST's presence on conferences including booth design and logistics
- Establish and publish BST press releases
- Create content, maintain company social media channels and analyse outreach impact
- Cultivate relation to journalists and media services
- Liaise with partner organizations to plan and implement events and media activities
- Prepare in collaboration with BST management public position paper and internal communiqués to company relevant fields

Your Qualification

- Fluent in English (required) and German (equivalent to at least C1 level)
- Experience in media relations, public relations and company communications
- Experience in building media lists, writing pitches, pitching journalists and securing coverage
- Strong written skills and experience in writing media releases, speaker briefings and other PR materials
- Candidate is expected to be collaborative, proactive, self-directed, informed on latest evolutions in Earth Observation and capable of multitasking and meeting deadlines
- Strong affinity to space technology and space ecosystem, especially satellites and Earth Observation

Your Benefits

- Working in a dynamic, highly innovative and extraordinary friendly international team
- Diverse and challenging tasks with space for your own ideas
- Flexible working time and paid overtime
- Fun social company events in one of Europe's most exciting cities
